Mission

We focus on International Freight Forwarding, Custom Clearance, Transport, Logistics and specialized project cargo by leveraging our experience competence in Air, Ocean Freight and Customs by collaborating with our Clients to unlock value in their supply chains and together build smart and efficient end-to-end logistics solution.

Vision

To become a leader in the business known for pioneering solutions in freight forwarding, shipping and custom clearance.

Tailor-made solutions

We do not use a one-size-fits all approach, but rather offer customised logistics solutions to our clientele. We are constantly fine-tuning our methods and open to new innovative ways of solving logistical challenges, meaning you can rest assured that our offer to you is the best option available.

Experience, efficiency and excellence

Our efficient team has a comprehensive understanding of the inside workings of all fields involved in logistics management, ensuring that our clients can have absolute peace of mind when entrusting their cargo to us. We strive to offer an excellent and cost effective service, together with impeccable customer care at all times.

Long-term relationships

With us you are not just a number. We value relationships and take the time to understand the needs of each of our clients. Unlike a large corporate logistics outfit, our company is not burdened with bureaucracy, but has the capacity to interact directly with customers in resolving their challenges. We are also focussed on building lasting partnerships with service providers and other role-players in the industry to be able to offer only the best service to our clients.

CONNECTION

We invest in insight to get to the heart of our customers' challenges. We are open and transparent in the way we work.

COMMITMENT

We are deeply involved in building relationships - everything we do is with the long-term in mind. Our dedication to quality is the cornerstone of our success - we get every detail right.

CREATIVITY

We are constantly developing better ways of working. If we find a better method, we act upon it

Freight Forwarding

We offer Planning and coordinating of the movement of cargos across international borders, Warehouse Planning, Supplying Cargo Insurance, Custom Brokerage, etc on behalf of our clients.

Export Management

We manage all required export activities to coordinate the international shipment of goods. Our competent staff handle the negotiations and complex administrative tasks on our clients' behalf to facilitate their participation in international export markets with ease.

Customs Clearing

We are dealing with all types of customs clearance at ports of entry and exit. We take care of all relevant documents needed, customs examination, facilitate payments of duty and arrange delivery once the cargo has been cleared. i.e Containerized Cargo, Loose cargo (Bulk & general cargo), Roro Vessels(Vehicles, Fertilizers, steel(Coils)) Handling Heavy Equipment's (Excavators, Construction equipment's), etc.

Transit Cargo Management

We guarantee speedy and safe passage of goods through Zambia to other tax jurisdictions. Our company arranges transit bonds and enables dutyfree transit of goods through Zambia so the cargo can reach its international destination hassle-free.

Bonded Warehousing

By providing access to bonded warehouses and providing Removal In Bond (RIB) and Removal In Transit (RIT) services for clients, we facilitate the temporary storage and movement of imported goods.

Trucking and Commercial Distribution

We partner with most trusted carriers to deliver both heavy and lighter cargo across Tanzania, eliminating our customers' need to own and maintain their own costly fleet and staff. Assistance with distribution of commercial products within Tanzania is also part of our service offering

Insurance Services

We cover Commercial Insurance Like Motor Insurance, Fire Insurance, Marine Insurance, Engineering Insurance, Package Insurance Etc.
